UNT will submit your recommendation for educator certification to the state board *after* all requirements for educator certification have been met by the applicant and verified by the Certification Officer.

You will receive another system-generated email from the Texas Education Agency (TEA) once you have been recommended for educator certification. The state will not issue *any* certificate until all applicable fees have been paid and the fingerprinting process is complete. It is the responsibility of the applicant to verify all fees have been paid and their Fingerprint Status shows as "Fingerprint Complete". The TEA will notify you again by another system-generated email when your certificate is official and posted to your online educator account.

# Completing Fingerprinting

The State Board for Educator Certification (SBEC) requires all applicants to submit fingerprints for a national criminal history background check. Applicants seeking initial certification must submit payment to the Educator Certification Online System (ECOS). The applicant will receive an email from the DPS approved vendor IdentoGO with instructions for scheduling a fingerprinting appointment. The TEA will receive the fingerprinting results within 5-7 business days after the fingerprint appointment.

1. After you apply for certification through your TEA account, the fingerprinting requirement will appear under the application information on the **Application/Fee Status** screen. You may choose to pay the application fee and the initial fingerprinting fee at the same time or return to pay the initial fingerprinting fee at a later date. However, you will not be able to complete the fingerprinting process until you pay the initial fingerprinting fee.

**NOTE:** If the fingerprinting requirement does not appear below the application information then you may have already submitted fingerprints because you either have a valid Educational Aide certificate or already hold a valid Texas classroom teaching certificate.

2. Once your fingerprinting fee has been paid, you will receive an email from IdentoGO with instructions on how to schedule your appointment.
3. During the appointment, there is an additional \$10 fee for scanning the fingerprints to TEA.
4. You can review a step by step video from TEA here: <https://www.youtube.com/watch?v=IX4TqEIFQIs>
5. Additional assistance can be found on the TEA HelpDesk site for fingerprinting: <https://helpdesk.tea.texas.gov/Fingerprinting-and-Do-Not-Hire-Registry/>
