### Counseling Minor
Department of Counseling  
Welch Street Complex 2 | 940-565-2910  
18 hours (6 advanced hours)

The counseling minor program is available to undergraduate students who are working toward a bachelor’s degree. Students must check with their academic advisors to have their minor program approved. The interpersonal skills gained in this program may be applied to a variety of employment settings that span human services professions. A minor in the program also provides students with a background that serves as a strong foundation when applying to master’s degree programs in counseling and related fields.

A minimum of three counseling courses are offered each semester. At least one section of the two introductory courses (COUN 2610 and COUN 3620) is offered each fall and spring term/semester. Typically, no courses are offered during the summer.

6 hours (2 courses) from:
- COUN 2610 Principles of Counseling I
- COUN 3620 Principles of Counseling II

12 hours (4 courses) from:
- COUN 2620 Diversity and Cultural Awareness
- COUN 3600 Therapeutic Play
- COUN 3630 Survey of Career Development and Career Guidance
- COUN 3640 Group Process in Helping Relationships
- COUN 4600 Interpersonal Skills in Helping Relationships
- COUN 4900 Special Problems*

*Current Special Problems: Animal Assisted Therapy (summer) and Women’s Emotional Health (fall). Contact the Counseling undergraduate coordinator for registration details.

Department of Kinesiology, Health Promotion and Recreation  
Physical Education Building, Room 209 | 940-565-2651  
18 hours (6 advanced hours) and a minimum grade of C is required in each course.

6 hours (2 courses) from:  
Any HLTH course

12 hours (4 courses) from:  
Any HLTH course at the 3000 and 4000 level

### Human Development and Family Science Minor
Department of Educational Psychology  
Matthews Hall, Room 316 | 940-565-4646  
18 hours (12 advanced hours)

A minor in human development and family science is suggested for students whose careers or degree audits involve children and families, for students who desire enrichment in family life education and for students in preprofessional studies leading to careers in medicine and family law. Students who choose human development and family science as a minor must meet prerequisite requirements for courses.

6 hours (2 courses) from:  
Any HDFS course

12 hours (4 courses) from:  
Any HDFS course at the 3000 and 4000 level

### Special Education Minor
Department of Educational Psychology  
Matthews Hall, Room 316 | 940-565-4646  
Does not include certification to teach in a public school in Texas  
18 hours (6 advanced hours)

The special education minor is available to undergraduate students working toward a bachelor’s degree. Because of its compatibility with other human service fields, special education provides an appropriate minor for students majoring in such areas as rehabilitation, speech and hearing science, behavior analysis, psychology, criminal justice, social work, recreation, kinesiology, and human development and family science. Minor must observe the system of prerequisites for courses.

18 hours (6 courses) from:
- EDS 0 3210 Educational Aspects of Exceptional Learners
- EDS 0 3240 Family Collaboration for Exceptional Learners
- EDS 0 3410 Developmental Disabilities & Autism: Identification & Intervention
