Admission Essay

Write an essay about your education and professional background and future goals. There is no required length; however, the essay should be well organized and written with clear concise language.

Please address the following:

- reasons for deciding to pursue a doctoral degree in Higher Education
- major area of interest in the field of Higher Education
- expectations regarding the program and career opportunities from the degree
- immediate and long range goals
- work and/or research experience and previous scholarship as they relate to future career goals
- educational and/or professional background as they relate to future career plans
- personal uniqueness and how it contributes to the entering class and the program’s reputation

Please attach a copy of current curricula vitae or resume and a sample of the applicant’s best written work in the form of a published article or book chapter, a research term paper, or a professional report.

All materials plus 3 confidential recommendation forms should be sent to:
